

Accessibility Plan 2023

| Accessibility Plan: Curriculum | | | | |
|--|--|--|--|--|
| Target | Strategy | Outcome | Timeframe | Leadership |
| Continue to monitor the provision of technology to support specific learning needs. | The school continually reviews and updates its technology provision to support a child's access to the curriculum. | A range of hardware, software, apps and internet links enable the child to make and celebrate success. | Continuous based on current research and support `materials available. Included in ICT budget set annually. | SENCo lead to collate this target with the full support and input of all staff, parents and other professionals. |
| Collate and continue to ensure our CPD programme fully embeds the staff's knowledge and understanding of the needs of pupils with disabilities and strategies to support them. | Teaching, support staff and pupils are provided with quality CPD to help specific children to access curriculum successfully. | Identified children make rapid and sustained progress and enjoy their learning in a supportive environment. Speech and Language, Phonics, Autism, Diabetic training, Epilepsy and Epi- Pen training | Continuous but with particular priority at the beginning of an academic year or when a new pupil joins the school. | Inclusion Lead, Deputy Head, Class teachers, parents and others supporting adults and agencies as the need is identified. |
| Develop specific and practical guidelines to ensure classrooms are organised to promote the participation and independence of all pupils. | Learning aids such as word mats, knowledge organisers, learning breaks and organisation of the classroom and its layout. Develop a checklist of essentials and specifics e.g. to support ASD. | Children feel safe and know routines. | Continuous depending on progress made at point of review. | All teaching staff |
| Accurate register of medical needs is continually updated and strategies in place where needed. | Office Manager updates the register and SENCo plans strategies for access including informing other adults working with the class including supply teachers. SENCo alongside class teachers write a care plan when required. | A child's progress and access to the curriculum and the wider opportunities available are not hindered by any identified medical need. A child is protected from further harm or extended illness. | Continuous but with particular priority at the beginning of an academic year or when a new pupil joins the school. | Office Manager, SENCo and class teachers |

| To improve access to our school website for those who do not read English. | Aim to incorporate a Google Translate (or similar) function to our school website to that the information it contains can be translated for those who do not read English | Liaise with Trust to obtain ability to achieve strategy. | To be completed by August 2023 | Deputy Headteacher |
